

## ❖ POSTER PREPARATION GUIDELINES

- Each author will have a board space of (HxW) 180cm x 96cm (5ft 10in x 3ft 2in), on which to mount the poster. The poster should be designed to summarize current research in graphic forms. Presentations should be self-explanatory so that the author is free to supplement and discuss particular points. For easy identification, provide a poster heading, listing its title and author(s), identical to that on the official programme.
  - The poster board is double-sided with one presentation on each side. Your assigned number will be posted on the poster board. The boards will be arranged in numerical order outside the conference hall.
  - **Mounting materials** will be provided by the Conference Secretariat.
  - **Do not use push-pins or glue**
  - **Do not paint or write on the board**
  - Do not print your poster on heavy or tick backing, as it may be difficult to fasten to the board. If you require assistance with mounting or removing your poster, please notify the Conference Secretariat.
- 
- Each author is responsible for assembly and removal of his/her own presentation.
  - Please remove your poster promptly. Materials left on the poster boards after the removal deadline will be taken down. The organizers or the hotel staff has no responsibility of materials that may be lost or damaged.
  - The poster sessions have a designated time in which the poster presenters are requested to be available at their poster to discuss their research with the conference attendees.
